

## Can't Help Falling in Love

Eels

Wise men say only fools rush in  
But I can't help falling in love  
with you Shall I stay? Would it be a sin?  
If I can't help falling in love with you  
Like a river flows Surely to the sea  
Darling, so it goes Some things were meant to be  
Take my hand Take my whole life, too  
For I can't help falling in love with you
