

## Climbing to the Moon

Eels

So i wrote it all in a letter  
But i don't know if it came  
The nurse she likes my writing  
So she keeps it just like me  
So that it won't get away

I won't be denied this time  
'fore i go out of my mind over matters  
Got my foot on the ladder  
And i'm climbing up to the moon

Got a sky that looks like heaven  
Got an earth that looks like shit  
And it's getting hard to tell where  
What i am ends  
And what they're making me begins

I won't be denied this time  
'fore i go out of my mind over matters  
Got my foot on the ladder  
And i'm climbing up to the moon

Saturday in the yard  
They'll bring you by  
We'll lay down on the grass  
And watch as the sky closes in

I won't be denied this time  
'fore i go out of my mind over matters  
Got my foot on the ladder  
And i'm climbing up to the moon
