

E's Tune

Eels

Have two eyes
But i cannot see
I have a heart
But i cannot feel anything
Don't give up now
I'm almost there

I got a mouth
But it doesn't say
The things i want it to say today
Anyway
Don't give up now
I'm almost there

Life's just an ugly mess
The angry souls in such distress
Still there is a time when moments can be sweet
And it feels like someone's smiling down on me

Sometimes it feels like i'm all alone
Most of the time actually
I am alone
That's alright
Don't give up now
I'm almost there

If I had a million bucks it wouldn't matter
'cause my soul is always
Climbing a ladder
Oh i know
Don't give up now
I'm almost there

Alright
