

## Electro-Shock Blues

Eels

Feeling scared today  
Write down "i am ok"  
A hundred times the doctors say  
I am ok  
I am ok  
I'm not ok

Skin is crawling off  
Mopping the sweaty drops  
Sticking around for this shit  
Another day  
Another day  
Not another day

Pink pill feels good  
Finally understood  
Take me in your warm embrace  
I am trying  
I am trying
