

## Flyswatter

Eels

Little field mice living under the house  
Never eating much  
Tough life for a mouse  
And if you think you're gonna be spared  
You're wrong

Field mice, head lice  
Spiders in the kitchen  
Don't think twice 'bout  
Whatever keeps you itchin'  
Ice water, flyswatter  
Gonna get you through  
The day

Heat is rolling in like hell's red rug  
Stinking like the breath of beelzebub  
And if you think you won't walk on coals  
You will

Field mice, head lice  
Spiders in the kitchen  
Don't think twice 'bout  
Whatever keeps you itchin'  
Ice water, flyswatter  
Gonna get you through  
The day
