Little field mice living under the house Never eating much Tough life for a mouse And if you think you're gonna be spared You're wrong

Field mice, head lice
Spiders in the kitchen
Don't think twice 'bout
Whatever keeps you itchin'
Ice water, flyswatter
Gonna get you through
The day

Heat is rolling in like hell's red rug Stinking like the breath of beelzebub And if you think you won't walk on coals You will

Field mice, head lice
Spiders in the kitchen
Don't think twice 'bout
Whatever keeps you itchin'
Ice water, flyswatter
Gonna get you through
The day
