

## Not Ready Yet

Eels

There's a world outside  
And i know 'cause i've heard talk  
In my sweetest dream  
I would go out for a walk

But i don't think i'm ready yet  
I'm not feeling up to it now  
Just not that steady yet  
And i don't need you telling me how

There's some happiness  
And my stone face cracks again  
Maybe sometime sooner or later

But i don't think i'm ready yet  
I'm not feeling up to it now  
Just not that steady yet  
And i don't need you telling me how

So if i leave my room  
Don't you tell me to lighten up  
Maybe sometime sooner or later

But i don't think i'm ready yet  
I'm not feeling up to it now  
Just not that steady yet  
And i don't need you telling me how
