

## Summer In The City

Eels

Hot town summer in the city  
Back of my neck getting dirt and gritty  
Been down, isn't it a pity  
Doesn't seem to be a shadow in the city  
All around people looking half dead  
Walking on the sidewalk hotter than a match head  
But at night it's a different world  
Go out and find a girl  
Come on, come on and dance all night  
Despite the heat it will be alright  
And babe, don't you know it's a pity  
The days can't be like the night  
In the summer in the city  
In the summer in the city  
Cool town, evening in the city  
Dressed so fine and looking so pritty  
Cool cat lookin for a kitty  
Gonna look in every corner of the city  
Till I'm weezin like a bus stop  
Running up the stairs gonna meet ya on the roof top  
But at night it's a different world  
Go out and find a girl  
Come on, come on lets dance all night  
Despite the heat it will be alright  
And babe, don't you know it's a pity  
The days can't be like the night  
In the summer in the city  
In the summer in the city
