

# Tremendous Dynamite

Eels

I am el hombre lobo  
On the prow for a restless night  
I got her right here in my sights  
Got a fuse that I can light  
She's tremendous  
She's dynamite

She is a formidable opponent  
She could put up a hard won fight  
Got her head screwed on real tight  
Being the bomb is her birthright  
She's tremendous  
She's dynamite

She's tremendous dynamite

I am el hombre lobo  
On the prow just past midnight  
Darting under the town searchlights  
It's all worth it to take a bite  
She's tremendous  
She's dynamite
