

What I Have to Offer

Eels

What I have to offer
Well, there's a lot
Now I'm a modest man
But look at all I got

For all the wear and tear
I look okay
I got good manners
And I make a good pay

And you know
I'm all
Full of love
For you

What I have to offer
Well, there's so much
A caring nature
And a tender touch

I got a pleasin' disposition
And I don't care about
Football or fishin'

And you know
That I'm all
Full of love
For you

What I have to offer
Well, check it out
I've learned some things
And I know what it's about

I'm quite discerning
And I'm pretty smart
It takes an awful lot
To win my heart

But you know
That I'm so
Full of love
For you
