

## Wrong About Bobby

Eels

I was wrong about bobby  
I admit he's not the dumbest angry young nitwit  
No he can cut it with the best  
And you'd better get out of his way

His girlfriend keeps him living in  
A world where fear will always win  
And if you see him out tonight  
Well you'd better get out of his way

You gotta give it up for the new modern man  
He's gonna have a ball  
Give it all that he can

Someday he's gonna show us all i bet  
Out in the sun while we're all soaking wet  
If it's a dry life that you want  
Then you'd better get out of his way

You gotta give it up for the new modern man  
He's gonna have a ball  
Give it all that he can

I was wrong about bobby don't you know  
He's had it tough and he had to make a go  
But if he doesn't stop fucking with me  
Well he'd better get out of my way  
Yeah he'd better get out of my way  
He'd better get out of my way
