

Natural Tune

Efterklang

I don't know if it's coming back
I gave away the faith
I don't know if it's still around
Live

Don't you care for women calling
Don't you mind their names
Cause something will be staring out
For your own joyous sake.

Someone else
Heading back
Heading straight
heading back

I can cope with its seven heads
But I heard it's giving birth,
I don't know if there still around
If it's strangers in the clouds
Strangers in clouds.... x2

Heading back
Heading straight
Heading back
Heading straight into the eye of the storm that's coming
I can hear the voice
There's still no eyes but i know it's coming.
You can ride the moon.
Ride the moon

Heading back
Heading straight,
Heading back

Something like this
