

## Step Aside

Efterklang

Dispose, Get around.  
I suppose I fall off.  
Access, Step Aside  
I suppose I fall as I fly.  
Make me say  
I found a  
I follow your sign  
Straps and booze  
If I lose.  
I follow your blood.

?Fell off with a sign on, Singing with in?  
Or  
?Fellow with a sign on, Singing with him?

The last bit is a bit of a guess and I have put a variation, I kinda prefer the second one and it makes a bit more sense - but then there is not a huge amount of sense to the rest of the lyric!

Whats your thoughts?
