

## Wring Out The Ground (Loosely Now)

Egg

Wring out  
Wring it out  
Wring, wring it out  
Wring it further out  
Ground  
Wring out the ground loosely now  
Wring out  
Wring it out  
Wring, wring it out  
Wring it gently out  
Everything I saw was a terrible bore  
Because I'd seen it all before  
And the one thing it told me was  
That what I had to do  
Was to fight my way through  
And try to think of something new  
And I couldn't help feeling it was true  
It was true  
Wring out  
Wring it out  
Wring, wring it out  
Wring it gently out  
Last out  
Last it out  
Last, last it out  
Last one out's a fool  
Least, last out the least, listlessly  
Last out  
Last it out  
Last, last it out  
Last one out's a shame
