

# The Devils In The Chemicals

Ego Likeness

The devils in the chemicals  
The demons in the DNA

I've got this darkness in me  
And there's no one to blame  
It's just my human nature  
It's just my human stain

With curses on the tongues of angel's  
And poison in the wishing well's  
Our karma's burning down the temples  
Without your soul  
What will you sell?

The devils in the chemicals  
The demons in the DNA

I've got this darkness in me  
And there's no one to blame  
It's just my human nature  
It's just my human stain
