## White Rabbit

## Egypt Central

Your magic white rabbit Has left it's writing on the wall We follow like Alice And just keep diving down the hole

You can't fix your broken promise Our ties have come undone I will not be used to be battered and abused It's the reason why I choose to cut my losses Your lies fool no one Your magic white rabbit Your white room straight jacket

Your magic white rabbit Has left it's writing on the wall We follow like Alice And just keep diving down the hole We're falling and we're losing control Your pulling us and dragging us down this dead end road We follow like Alice And just keep diving down the hole

You can't offer your poison to me In your kingdom of filth White Rabbit Straight jacket

Your magic white rabbit Has left it's writing on the wall We follow like Alice And just keep diving down the hole We're falling and we're losing control Your pulling us and dragging us down this dead end road We follow like Alice And just keep diving down the hole

I won't be pushed aside I will be heard I will get what I want What I deserve

I won't be pushed aside I will be heard I will get what I want What I deserve

We're falling and we're losing control Your pulling us and dragging us down this dead end road

Your magic white rabbit Has left it's writing on the wall We follow like Alice And just keep diving down the hole We're falling and we're losing control Your pulling us and dragging us down this dead end road We follow like Alice And just keep diving down the hole Your magic white rabbit Has left it's writing on the wall We follow like Alice And just keep diving down the hole Diving down the hole
