

## Back In Time

Eiffel 65

Back In Time (Time, One More Time)  
Up And Down, Everytime, I'm Flying High

Back In Time, In My Time, All The Time  
Up And Down, Everytime I'm Flying  
Back In Time, In My Time, One More Time  
Always Up And Down, Everytime I'm Flying High  
Here In The Open Space Where Nothing  
Seems To Move At All  
I Can Run This Race Back In Time  
From The World I Can Hide  
Here In The Open Space Where Something  
Seems To Float And Not Fall  
I Can Feel The Madness Slow Down  
I'm The Master Of Time

Back In Time, In My Time, All The Time  
Up And Down, Everytime I'm Flying  
Back In Time, In My Time, One More Time  
Always Up And Down, Everytime I'm Flying High  
Back In Time, In My Time, All The Time  
Up And Down, Everytime I'm Flying  
Back In Time, In My Time, One More Time  
Always Up And Down, Everytime I'm Flying High

Back In Time, In My Time, All The Time  
Up And Down, Everytime I'm Flying  
Back In Time, In My Time, One More Time  
Always Up And Down, Everytime I'm Flying High

Here In The Open Space Where Nothing  
Seems To Move At All  
I Can Run This Race Back In Time  
From The World I Can Hide  
Here In The Open Space Where Something  
Seems To Float And Not Fall  
I Can Feel The Madness Slow Down  
I'm The Master Of Time

Back In Time, In My Time, All The Time  
Up And Down, Everytime I'm Flying  
Back In Time, In My Time, One More Time  
Always Up And Down, Everytime I'm Flying High  
Back In Time, In My Time, All The Time  
Up And Down, Everytime I'm Flying  
Back In Time, In My Time, One More Time  
Always Up And Down, Everytime I'm Flying High
