

Johnny Grey

Eiffel 65

My name is Johnny Grey,
It's just a name and I know that for you it's the same,
The world I know seems not to know me
Here's my number I need a call I'm Johnny Grey.

My name is Johnny Grey,
It's just a name for you it's the same.
The world I know seems not to know me.
Here's my number I need a call.
Excuse me it's Johnny Grey,
not Tommy Day, my name's Johnny Grey.
I can't remember my phone number
All the calls I get are mistakes.
And I holler and make no noise.
As I said before,
my name is Johnny Grey.

My name is Johnny Grey
wont you play with me.

My name is Johnny Grey...

Johnny Grey

Excuse me,
Yeah my name is Johnny Grey.
Yeah of coarse it's just a name but for you it's the same.
You see the world I live in,
doesn't really seem to know me.
Here's my number,
wont you give me a call please.
My name is Johnny Grey.
