

Life Like Thunder

Eiffel 65

I wanna live my life like thunder
Don't wanna live my life like numbers
Wondering why tonight
Breaking on through to find my light.
I wanna live my life like thunder
Don't wanna live my life like numbers
Wondering why and how
I'm gonna fly so high and never hit the ground.
I feel like I'm always tight
My brain is in chains
While walking this lane.
I can calculate my future
I need to break away
I need to find a different day.

I wanna live my life like thunder....

I can't stand to live in a box,
No wind on my face
No reason to race.
I can't stand the social routine
I wanna go above
I wanna reach above those clouds.

I wanna live my life like thunder....
