

## New Life

Eiffel 65

Baby !  
I need a miracle  
I'm searching !  
to find a way into a new life  
and I'm moving  
out of the chances I gave up  
I can discover NEW LIFE.

Baby !  
It's an emergency  
I'm saying  
I'm only trying to survive  
That's why I'm moving  
I 've got the power to make it  
I found a brand NEW LIFE.

Baby !  
I need a miracle ...  
It's an emergency  
Please help me baby  
It's an emergency  
I need to try to survive  
It's an emergency  
Please try to help me  
I need a new life  
We only try to survive
