

## The Edge

Eiffel 65

I've been to the edge  
and I've been to the edge.  
yes I've been to the edge.  
I've been to the edge  
and god know if I've looked down.  
looked down.  
I've been to the edge  
and I've been to the edge  
yes I've been to the edge.  
I've been to the edge  
and god know if I've looked down.  
looked down.  
I've been to the edge
