

Watch It Die

Eisley

If I came in the morning
would you still be here
And if I left in the evening too

Well I don't have the time to keep you in line
I don't have the time

And do I fail to know what's in your eyes
Do I fail to know cause

My love for you has died tonight
I don't know how to own you
My love for you was faulty
Now baby just watch it die

So I caught you in a lie singing hey
I'll never be what you want, no
Fabulous teeth and a smile that will melt your heart
Now come on don't you know how to play

Yeah I caught you in a lie singing hey
