Holocaust

It was the Time,
hell on earth
blood and fire
They're segregated all of them
With barbed wire
Racist domination
Humiliation, Deportation
Raised the Flag of Hate
Unleash the Horror
To kill a Nation

Never forget , Never forgive
That was the Holocaust

Extermination
The camps of Death
Six million victims
A uniformed monster
The Angel of Death
The Apocalypse
Gas chambers of Auschwitz
Cremation, Mass murder
Fear factory
They killed the people with desire

Never forget , Never forgive
That was the Holocaust
