

## All This Love

El DeBarge

I had some problems  
And no one could seem to solve them  
But you found the answer  
You told me to take a chance  
And learn the way of love, my baby  
And all that it had to offer  
In time you will see that love won't let you down.

You said that you loved me  
Said hurt only came to pass me  
It sounded so convincing  
That I gave it half a chance  
And learned the way of love my baby  
There is so much love inside me  
And all that I have I give my all to you  
And all this love is waiting for you  
And all, all my love is waiting for you  
All this love is waiting for you  
And baby all, baby all this love is waiting for you  
Oh, I love how you make me feel this way  
My love is getting stronger every day  
And after all I went and put myself through  
I found that all I really needed was you

As the sun has it's place up in the sky  
I love you so dearly  
And all the same, there's no need to wonder why  
I need you, please hear me

Say you really love me, baby  
Say you really love me, darling  
For I really love you baby  
You know I really love you darling

Say you really love me, baby  
Say you really love me, darling  
For I really love you baby  
Sure enough love you darling

Say, say you love me.....
