

# Lay With You

El DeBarge

Oh baby!  
Just wanna lay right here with you!  
Baby I just wanna lay with you!  
I know you have work,  
But I would love for you to stay with me,  
For a little while longer!  
I'm asking a lot but I don't want you to go away,  
Cause I can't get you out of my mind, girl!  
I could just look at you,  
All day long,  
Your beautiful smile I just  
Can't go wrong!  
And only if you didn't have to leave,  
You could relax and chill with me.  
Chorus:  
Let's not leave the house today,  
I just wanna lay with you, with your body close to mine!  
Room service will be on their way,  
I just wanna lay with you,  
I can't get enough of you girl!  
Oh, baby,  
You're making it hard for me to leave!  
Wish I wouldn't have to go,  
So next time I'm around let's hope it will rain,  
So we could just stay in.  
Cause I just wanna lay with you!  
If I could just look at you  
All day long,  
Your beautiful smile I just  
Can't go wrong!  
And only if you didn't have to leave,  
We could relax and just chill in these sheets  
Chorus:  
Let's not leave the house today,  
I just wanna lay with you, with your body close to mine!  
Room service will be on the way,  
I just wanna lay with you,  
I can't get enough of you girl!  
Uhhhhh, one night with you is like Heaven!  
Like Heaven!  
I don't wanna go from here,  
Oh, baby!  
Kissing your neck while you're sleeping,  
Sleeping!  
Laying with me!  
Chorus:  
Let's not leave the house today,  
I just wanna lay with you, with your body close to mine!  
Room service will be on their way,  
I just wanna lay with you,  
I can't get enough of you girl!  
Let's not leave the house today,  
I just wanna lay with you, I just wanna lay with ya baby.  
Ad-lib as song fades out
