

# Stay With Me

El DeBarge

Baby you can't go on  
Wondering where you belong  
Let me help you find yourself  
Cause you don't need nobody else

Ahh you should be right here with me babe  
Instead of going round this frantic town  
And start messin around  
With all the lonely lonely people out there  
No one to care  
Why don't you come and stay with me  
Because I love you so

You tell me you love me so  
Why do you have to go  
Everything you'll ever need  
You will find right here with me

Ahh you should be right here with me babe  
Instead of going round this frantic town  
And start messin around  
With all the lonely lonely people out there  
No one to care  
Why don't you come and stay with me  
Because I love you so

Stay with me, Stay with me  
Stay with me, Stay with me  
Stay with me, Stay with me  
Stay with me, Stay with me  
Stay with me...

Ahh you should be with me babe  
Ahh you shouldn't go no where  
And all I'm trying to tell you babe  
Happiness is waiting for you

So won't you stay with me? So won't you stay with me?  
I got what you need  
So won't you stay with me?  
Don't go nowhere baby, don't go, no, no  
I got what ya need  
So won't you stay with me?

Don't go, Don't go, I love you so  
(Repeat 3x to fade)
