

Running together up to the better
Down to the middle the brand name of society
Boys say are kidding, but running to get it
This beating for seeming they never show exactly
Nothing is over, but everything so far
The fresh of the skylark ragging on the rightly

The better one will bite on the resit you
The better one will bite on the resit you
Bite on the resit you

Missing no water, knowing no father
One thing of brothers members of community
Nothing is over, but everything so far
The fresh of the skylark ragging on the rightly

The better one will bite on the resit you
The better one will bite on the resit you

SOLO

The better one will bite on the resit you
The better one will bite on the resit you
