

Like A Bird

Elán

You don't believe me since my heart goes on knocking,
and I can stop it, I can stop rocking.
Don't need those useless,
what's do know we they ring then,
while I can stand them,
I can stop singing.

Don't try a turn,
don't try a hoe me,
Like a bird I have to singing be free.

Don't try a turn,
don't try a hoe me,
Like a bird I have to singing be free.

My life is clear got,
since I give up sockling.
Grown up I stopped it,
now I can stop rocking.
Pick it of wisdom
all it pain is so stinking,
still I can stop it,
I can stop singing.

Don't try a turn,
don't try a hoe me,
Like a bird I have to singing be free.

Don't try a turn,
don't try a hoe me,
Like a bird I have to singing be free.

They rain be more,
they nusty roads,
Mama's vision not understand.
But still I know,
some thing believe,
turning we got to lenght?

You don't believe me since my heart goes on knocking,
and I can stop it, I can stop rocking.
Don't need those useless,
what's do know we they ring then,
while I can stand them,
I can stop singing.

Don't try a turn,
don't try a hoe me,
Like a bird I have to singing be free.

Don't try a turn,
don't try a hoe me,
Like a bird I have to singing be free.

Don't try a turn,
don't try a hoe me,
Like a bird I have to singing be free.

Don't try a turn,
don't try a hoe me,
Like a bird I have to singing be free.
