

Crimson Lullaby: The Dreamer

Elane

We may fall asleep, may fall asleep
May fall so deep, may fall asleep

You can say what you want -
But you know that I don't trust you anymore
You can say what you want -
But you know that I don't love you anymore
Say my name, say my name -
But you know that I don't listen you anymore
Fall asleep, fall asleep -
But you know that I won't dream of you no more
