

## Donna

Elastica

It's tragic  
Laid down on your side  
Too easy  
You know that you know  
You're soaking wet  
You talk too much  
It's not necessary  
Before the ice melts  
I just want to say  
This packet's yours  
Don't ask for more  
Cos somewhere along the line  
I've forgotten already
