

Father Christmas

Elastica

Father Christmas, He's got a big bag
So full of presents, Now that's a big bag
Father Christmas, He's got a reindeer
With a red nose
He's got a big, big, bag, A big, big, bag
Believe it
Father Christmas
He does ten million
In a night-time
Now that's a fast sleigh
Father Christmas
Comes down the chimney
[With] lots of bells on
He's got a big, big, bag
A big, big, bag
Believe it
Show me what you got
Yeah
What a very, very, nice man
Bringing lots of presents
Coming down the chimney
With his big, big, bag
His big, big, bag
Believe it
