

# Father Christmas

Elastica

Father Christmas, He's got a big bag  
So full of presents, Now that's a big bag  
Father Christmas, He's got a reindeer  
With a red nose  
He's got a big, big, bag, A big, big, bag  
Believe it  
Father Christmas  
He does ten million  
In a night-time  
Now that's a fast sleigh  
Father Christmas  
Comes down the chimney  
[With] lots of bells on  
He's got a big, big, bag  
A big, big, bag  
Believe it  
Show me what you got  
Yeah  
What a very, very, nice man  
Bringing lots of presents  
Coming down the chimney  
With his big, big, bag  
His big, big, bag  
Believe it
