

I'm a sonic generator  
It's as far as i can take it  
Aren't you glad that i can make it  
Oh oh in the money  
Baby put your arms around me  
Aren't you glad that you have found me  
You want it? i've got it...  
Oh oh on and on it

I'm a self taught regulator

Eeny meeny miney moaner  
Catch a poet by the toga  
You want it? i've got it  
Oh oh on and on it  
I'm a spastic generator  
It's as far as i can take it  
I was lying...  
In all mat cocoa butter

Dead, dead in the water

I'm a third rate imitator  
I'm a second hand fornicator  
I'm a spastic generator

see you later, alligator
