Elastica

Keep it on ice, I'd rather I can't Frozen love is My heart is c
old but my head's Aah-aa-aah, don't know what it's like
Don't know what it's like
Aah-aa-aah, keeping it on ice
Keeping it on ice
Oh, take it to and it will crack
And you say you won't take me back
you know I like the sound
'cause then I know that you're still around
Aah-aa-aah, don't know what it's like
Don't know what it's like
Aah-aa-aah, keeping it on ice
Keeping it on ice
A in the bush is worth two in the head
If you crack in my frozen on a long distance line
Aah-aa-aah, don't know what it's like
Don't know what it's like
Aah-aa-aah, keeping it on ice
Keeping it on ice
