

Waking Up

Elastica

I'd work very hard but I'm lazy
I can't take the pressure and it's starting to show
In my heart you know how it pains me
A life of leisure is no life you know

Waking up and getting up has never been easy,
Oh oh, I think you should know.
Waking up and getting up has never been easy,
Oh, oh, I think you should know.
Oh, oh, I think you should go.
Make a cup of tea, and put a record on.

I'd work very hard but I'm lazy
I've got a lot of songs but they're all in my head.
I'll get a guitar and a lover who pays me
If I can't be a star I won't get out of bed.

Waking up and getting up has never been easy,
Oh, oh, I think you should know.
Waking up and getting up has never been easy,
Oh, oh, I think you should know.
Oh, oh, I think you should go.
Make a cup of tea, and put a record on.

Waking up and getting up has never been easy,
Oh, oh, I think you should know.
Waking up and getting up has never been easy,
Oh, oh, I think you should know.
Oh, oh, I think you should go.
Make a cup of tea, and put a record on.
