

Glitter Gold Year

Eleanor Friedberger

It's a glitter gold year 2010
I said it wouldn't come so fast but it did
It's a glitter gold year 2010
I swear it is, oh!
2222222
0000000
1010

It's a glitter gold year 2010
I wanna erase her
It's a glitter gold year 2010
I wanna erase her

Oh you said it wouldn't be so bad
But it's worse
You said it wouldn't be so bad
But it's worse
You said it wouldn't be so bad
But it's worse
I wanna erase her

It's a glitter gold year 2010
2222222
0000000
1010
It's a glitter gold year 2 0 1 0
I wanna erase her
I wanna erase it but I can't
