

Heaven

Eleanor Friedberger

Did you ever find a place to be?
Did you ever find a place to be, Lee?
Did you ever find a place to be?
Did you ever find a place to be, Lee?

Heaven, you are Lee
Heaven, you are Lee

Did you ever find a place to be? (To be)
Did you ever find a place to be, Lee? (Oh, Lee)
Did you ever find a place to be? (To be)
Did you ever find a place to be, Lee? (Oh, Lee)

Heaven, you are Lee
Heaven, you are Lee

I mention your name
Only in hell, it's the same

Did you ever find a place to be? (To be)
Did you ever find a place to be, Lee? (Oh, Lee)
Did you ever find a place to be? (To be)
Did you ever find a place to be, Lee? (Oh, Lee)

Heaven, you are Lee
Heaven, you are Lee

It's the same as the eel
That you claim not to be, Lee

Heaven, you are Lee
Heaven, you are Lee...
