

## On Parade

Electrelane

Stand up against the wall  
So I can make you out  
Do do you wanna be it?  
You take the power out.  
One day we'll be wandering...

Girl you'll be a dandy  
And a deserter  
You sit astride your horses  
Dressed as Nelson

I wanna see her  
I wanna see her  
I wanna see her with her horses  
Oh yeah

I bet I'd like your underwear  
I bet I'd like your underwear  
I bet I'd like your underwear

You got it down  
You got it down  
Uh huh  
You got it down  
You got it down
