

This Head I Hold

Electric Guest

They call me a little grown up
See, I'm upset because I've always been stuck
But I don't know what it is I'm without
Guess I'm in love with always feeling down
(See the problem was I)
I was fully consumed
By all of the petty things that I couldn't do
All of the plastic, products, shows, and woes
But I didn't ever show, I let it go
So I listen while I'm told

Sit back, don't think
Get high, take drink
Sit back, don't think
The more I listen, the deeper I sink and

Ooh, I go higher
And I say, ooh, a-ooh, I go higher
This head that I hold, oh, it's so tired
And I say, oh, no, I go higher
And I say, ooh,
What's it gon', what's it gonna be?
Make me say, ooh,
What's it gon', what's it gonna be?
I'm feelin' so cold,
What they want, what they want from me
Make me say ooh, ooh, ooh, ooh, ooh (they want, they gonna be)

So find me stuck in some scene
I wanna get out but there's no in-between
So I sit back as I watch the crowd go
Never assuming that I've sunken so low
See the answer is this
If I wanna be free
I gotta stop playin' round and runnin' from me
'Cause all of the plastic, products, shows, and woes
They got my head feelin' low, no room to grow
So I listen while I'm told

Sit back, don't think
Get high, take drink
Don't feel, just go
If you listen carefully, then you won't feel so low

Sit back, don't think
The more I listen, the deeper I sink and
Ooh, I go higher
And I say, ooh, a-ooh, I go higher
This head that I hold, no, it's so tired
And I say, oh, no, I go higher
And I say, ooh,
What's it gon', what's it gonna be?
Make me say, ooh,
What's it gon', what's it gonna be?
I'm feelin' so cold,
What they want, what they want from me?
Make me say ooh, ooh, ooh, ooh, ooh (they want, they gonna be)

I'm sinking, ooh, I go higher
And I say, ooh, a-oooh, I go higher
Get no sleep, meet the vampire
And I say, ooh, no, I go higher
And I say, ooh, I go higher
And I say, ooh, a-oooh, I go higher
This head that I hold, no, it's so tired
And I say, ooh, no, I go higher
