

# Alone in the Universe

Electric Light Orchestra

Alone in the Universe  
All alone in the universe  
That's how it feels now you are gone  
I knew it all along  
I'm such a long long way from home, oh-a-oh

Alone in the Universe  
All alone in the universe  
It gets so sad in the unknown  
I'm tired of being alone  
I'm such a long long way from home, oh-a-oh

Alone in the Universe  
All alone in the universe  
No matter where I try to roam  
The only girls to show  
I'm such a long long way from home, oh-a-oh oh-a-oh

oooh-oooh-oooh-oooh  
oooh-oooh-oooh-oooh  
hey, hey, ba da da dom  
oooh-oooh-oooh-oooh  
oooh-oooh-oooh-oooh  
hey, hey, ba da da dom  
oooh-oooh-oooh-oooh  
oooh-oooh-oooh-oooh  
hey, hey, ba da da dom
