

Baby I Apologise

Electric Light Orchestra

Love my baby in the afternoon
But she's cryin'
She's cryin'

Told my baby in the afternoon
But she don't like it
She don't like it
Baby used to love me so.

Baby I apologise
For tellin' them dirty lies
I've had my fun
But now it's gone
Baby I apologise.

Loved her in the mornin'
In the evenin' too
But she won't do, what I want to

Kicked me out of my own front room
For my lyin'
My dirty lyin'
Baby you do say

Baby I apologise
For tellin' them dirty lies
I've had my fun
But now it's gone
Baby I apologise.

You know my darlin'
I was a broken man
And my dreams had fell apart
And then a voice from above
Told me the truth of the world below
And my darlin'
I'd just like to say one more time
Please come back.

Baby I apologise
For tellin' them dirty lies
I've had my fun
But now it's gone
Baby I apologise.

Loved her in the mornin'
In the evenin' too
But she won't do, what I want to

Kicked me out of my own front room
For my lyin'
My dirty lyin'
Baby used to love me so

Baby I apologise
For tellin' them dirty lies
I've had my fun

But now it's gone
Baby I apologise.

Baby I apologise
For tellin' them dirty lies
I've had my fun
But now it's gone
Baby I apologise.
