

Big Wheels

Electric Light Orchestra

I've been thinking it over
So many times they say
You got it made
They never understand
The answer lies within your soul
'Cos no one know which side
The coin will fall

Big wheels turning
Baby, I know
Big wheels turning
Baby I know
Big wheels turning, turning

Save it for a rainy day
For when the cold wind blows
To see how they run
I thought they'd know
I tried my best, all I could do
But somehow it was not enough for you

Big wheels turning
Baby, I know
Big wheels turning
Baby I know
Big wheels turning, turning
Turning, turning

I remember the dead of night
A lonely light that shines upon the window
I see it all so clear
The tenderness, the silent tears

Out here in the pouring rain
Through cold dark waiting days
I see you standing there
I see the big wheels turning
Never ending, on and on they go

I think I'm going home
I think I'm gonna have to start again
It's rather sad because I've looked around
Can't seem to find whatever's
Always rolling through my mind

Big wheels turning
Baby, I know
Big wheels turning
Baby I know
Big wheels turning, turning
Turning, turning

I remember the dead of night
A lonely light that shines upon the window
I see it all so clear
The tenderness, the silent tears

Out here in the pouring rain
Through cold dark waiting days
I see you standing there
I see the big wheels turning
Never ending, on and on they go
