Blackberry Way

Electric Light Orchestra

Blackberry Way absolutely pouring down with rain, it's a terrible day. Up with the lark, silly girl I don't know what to say, She was running away. But now I'm standing on the corner, lost in the things that I said. What am I supposed to do now? Goodbye Blackberry Way I can't see you, I don't need you. Goodbye Blackberry Way Sure to want me back another day. Flowers in the park overgrowing but the trees are bare There's a memory there. Boats on the lake, unattended now for all to drown I'm incredibly down. Just like myself they are neglected, turn with my eyes to the wall What am I supposed to do now? Goodbye Blackberry Way I can't see you, I don't need you. Goodbye Blackberry Way Sure to want me back another day. Run for the train, look behind you for she may be there said a thing in the air Blackberry Way, See the battlefield of careless sins cast to the winds So full of emptiness without her, lost in the words that I said. What am I supposed to do now? Goodbye Blackberry Way I can't see you, I don't need you. Goodbye Blackberry Way Sure to want me back another day. Goodbye Blackberry Way I can't see you, I don't need you. Goodbye Blackberry Way Sure to want me back another day.
