

# Bluebird Is Dead

Electric Light Orchestra

Little darlin' of my life  
You keep movin' 'cross my mind  
You gave me a sunny day  
Now it looks as if I'll pay

Why do they say Bluebird is dead?  
I can still see her, touch her my Bluebird  
The love that she gave I don't believe  
No, no, I don't believe

Bluebird came to me tonight  
Waiting patiently for light  
She said "I know that you will grieve  
But my darlin' I must leave"

Why do they say Bluebird is dead?  
I can still see her, touch her my Bluebird  
The love that she gave I don't believe  
No, no, I don't believe

Bluebird say it is not so  
Please I cannot hear you speak  
It must be that you're so tired  
In the darkness of the night

Why do they say Bluebird is dead?  
I can still see her, touch her my Bluebird  
The love that she gave I don't believe  
No, no, I don't believe
