

# Calling America

Electric Light Orchestra

Somebody...

Told her that there was a place like heaven  
across the water on a 747  
Yeah, we're living in  
in a modern world. ...

And pretty soon she's really got the notion  
of flying out across the big blue ocean  
Yeah, we're living in  
In a modern world. ....

Talk is cheap on satellite  
But all I get is static  
Information,  
I'm still here redial on automatic.

R: Calling America (can't get a message through)  
Calling America (that's what she said to do)  
Calling America (that's where she has to be)  
Calling America (she left a number for me)

But I'm just talking to a satellite  
Twenty thousand miles up in the sky each night  
Yeah, we're living in  
In a modern world.

All I had to do was pick up the phone  
I'm out in space, trying to talk to someone  
Yeah, we're living in  
In a modern world.

She left a number I could call  
But no one's there, no one at all  
There must be something going wrong  
That number just rings on and on.

R: Calling America...

Said she'd call when she'd been gone a while  
Guess she's missing me across the miles  
Yeah, we're living in  
In a modern world.
