

# Daytripper

Electric Light Orchestra

Gotta good reason  
Were taking the easy way out  
Gotta good reason  
Were taking the easy way out  
She was a daytripper, one way to go, yeah  
Took me so long to find out, I found out  
Tried to please her  
She only played when I can  
Tried to please her  
She only played when I can  
She was a daytripper, one way to go, yeah  
Took me so long to find out, I found out  
She was a teaser  
She took me half the way there  
She was a teaser  
She took me half the way there  
She was a daytripper, some days rather, yeah  
Took me so long to find out, I found out  
Daytripper, one day for you, yeah  
It took me so long to find, I found out  
Datripper, yeah  
Datripper, yeah  
Datripper, yeah  
Datripper, yeah  
Datripper, yeah  
Datripper, yeah  
Datripper, yeah  
Datripper, yeah  
Datripper, yeah
