

# Is It Alright

Electric Light Orchestra

Dear Jo,  
Don't know where to begin, so I'll just hello  
Dear Jo,  
Is it so much better now you're on your own?

(Is it alright) you never believed in yourself  
(Is it alright) now that you're free, does it help?

Is it alright  
Now that you've got what you want?  
And is it alright  
Now that you're back where you belong?

Dear Jo,  
Are you living it up every place you go?  
Dear Jo,  
If you're having a hard time, it sure don't show

(Is it alright) you couldn't hold on in your mind  
(Is it alright) now is it okay, is it fine?

Is it alright  
Now that you've got what you want?  
And is it alright  
Now that you're back where you belong?

Dear Jo,  
Can you believe that it's been so long?  
Dear Jo,  
Just thought I'd write and let you know

(Is it alright) you never believed in yourself  
(Is it alright) but now that you're free, does it help?

Is it alright  
Now that you've got what you want?  
And is it alright  
Now that you're back where you belong?

Is it alright?  
Is it alright with you?  
Is it alright?  
Is it alright with you?

Is it alright  
Now that you've got what you want?  
And is it alright  
Now that you're back where you belong?

Is it alright  
Now that you've got what you want?  
And is it alright  
Now that you're back where you belong?

Is it alright  
Now that you've got what you want?  
And is it alright

Now that you're back where you belong?
