## It'll Be Me

## **Electric Light Orchestra**

If you hear somebody knocking on your door see somebody crawling out across the floor baby it'll be me and I'll be looking for you

If you see somebody climbing up a telegraph pole you find a new love then you shut the door it'll be me and I'll be looking for you

CHORUS

I want to search in the city where might you be I want to search the countryside I want...

If you find a new bait on your fishing hook you see a funny face in your comic book it'll be me and I'll be looking for you

CHORUS

repeat last verse

CHORUS

said I'll be looking for you
I'm gonna be looking for you
