# It'll Be Me

## **Electric Light Orchestra**

If you hear somebody knocking on your door see somebody crawling out across the floor baby it'll be me and I'll be looking for you

If you see somebody climbing up a telegraph pole you find a new love then you shut the door it'll be me and I'll be looking for you

#### CHORUS

I want to search in the city where might you be
I want to search the countryside
I want...

If you find a new bait on your fishing hook you see a funny face in your comic book it'll be me and I'll be looking for you

### CHORUS

repeat last verse

#### **CHORUS**

said I'll be looking for you
I'm gonna be looking for you
