

## Mister Kingdom

Electric Light Orchestra

Daylight comes to those who live  
But those who die, they never see  
The sun come shining through  
Their windowpane, they pass away.

Silly girl, to be a fool  
You didn't play the golden rule  
'Cause once you're through with one world,  
There's another waiting there.

Help me, such a lonely soul  
In dreams to leave behind the world.  
Mr. Kingdom, help me please  
To find the rainbow's end.

Looking from this empty room  
The corridors of endless gloom  
Go crawling through the night  
To meet the dawn that's on its way.

Oh, to sleep, per-chance to dream  
To live again those joyous scenes  
The laughter and the follies  
That are locked inside my head.

Help me, such a lonely soul  
In dreams to leave behind the world.  
Mr. Kingdom, help me please  
To find the rainbow's end.

I can dream of flying high  
Above the city's cares  
And never be afraid of anyone  
'Cause there ain't no one there.

Help me, such a lonely soul  
In dreams to leave behind the world.  
Mr. Kingdom, help me please  
To find the rainbow's end.

Help me, such a lonely soul  
In dreams to leave behind the world.  
Mr. Kingdom, help me please  
To find the rainbow's end.
